### **Report on “World Cancer Day Awareness Campaign”**

The NSS unit and Pharmacy practice department of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences in association with Indian Pharmaceutical Association – Student’s Forum had organized a cancer awareness campaign on 5<sup>th</sup> February 2021 at Obulunaidupalem village of Guntur, Andhra Pradesh.

In view of this CHIPS along with IPA-SF had taken initiative to encourage all the students and staff to take responsibility in spreading the awareness to the most possible extent. The awareness programme in the rural area was conducted by demonstrating the importance of screening for the disease and need to take various preventive measures. As it is essential that the public are to be made aware on risks so as to achieve the benefits among the common public.

All the interns of Pharm.D, IV.B. Pharm Students, NSS Volunteers and 10 staff members of CHIPS were guided by Dr. Subba Rao, Co-ordinator, NSS Unit, CHIPS in conducting this awareness in the village by explaining the public with several measures to be taken for cancer prevention and villagers were also given with pamphlets in the regional language (Telugu) for better understanding and for their future reference. In this program 250 no’s villagers were participated and got benefited. A total of 102 students were participated in this programme. A few pictures are enclosed along with this report.
