

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences

Chandramoulipuram, Chowdavaram, Guntur – 522019, Andhra Pradesh.

(Sponsored by Nagarjuna Education Society)

Approved by AICTE & PCI, Affiliated to Acharya Nagarjuna University.

Recognised by Govt. of Andhra Pradesh, An ISO 9001:2015 Certified Institute.

Report On

A THREE DAY WORKSHOP ON “PROBLEM BASED TEACHING AND LEARNING OF ORGANIC AND ANALYTICAL CHEMISTRY”

(MODULE II)

Department of Chemistry and Department of Pharmaceutical Analysis, Chebrolu Hanumaiah Institute of Pharmaceutical Sciences had organized three day workshop on 7-9th September 2017, titled “Problem Based Teaching and Learning of Organic and analytical chemistry” as Module II. Dr. S. Y. Gabhe, Chairman, Syllabus Committee, Pharmacy Division, AICTE, Pune University, inaugurated the workshop, delivered a lecture on basics of Stereochemistry, Stereo/Chemical aspects from atoms to steroids, Stereo specific reactions useful in chemistry, Introduction to Mass Spectroscopy, Fragmentation patterns of functional groups and Interpretation of Mass Spectral data. Dr.S.Vidyadhara, Principal, CHIPS presided the function and welcomed the guest and participants, explained the over view and objectives of the seminar. The workshop was carried over two sessions each day. Throughout the workshop at the end of the session a open discussions were conducted in problem solving of relevant topics. The main aspect of the workshop is tackling in learning and problem solving capacity of the selected topics for teachers and students. This motto was solved successfully. A total of 81 delegates from different pharmacy colleges attended the seminar and all the sessions were interacted and well attended. During the valedictory function Dr. S. Vidyadhara, Principal and Prof. S. Y. Gabhe were present, addressed on the occasion and distributed the certificates to the participants. Dr.T.N.V.Ganesh Kumar proposed a vote of thanks.
