A Report On

A THREE DAY WORKSHOP ON “PROBLEM BASED TEACHING AND LEARNING OF ORGANIC AND ANALYTICAL CHEMISTRY”

(MODULE III)

Department of Chemistry and Department of Pharmaceutical Analysis, Chebrolu Hanumaiah Institute of Pharmaceutical Sciences had organized three day workshop on 11-13th July 2018, titled “Problem Based Teaching and Learning of Organic and analytical chemistry” as Module III. Dr. S. Y. Gabhe, Chairman, Syllabus Committee, Pharmacy Division, AICTE, Pune University, inaugurated the workshop, delivered a lecture on Nuclear Magnetic Resonance Spectroscopy and Mass Spectroscopy interpretation in research of pharmaceutical sciences. Dr.S.Vidyadhara, Principal, CHIPS, presided the function and welcomed the guest and participants, explained the over view and objectives of the seminar. The three day work shop was mainly aimed to train the Faculty of various Pharmacy Colleges, Research Scholars and PG students. After the work shop, the test was also conducted to know the level of understanding by the delegates. Almost all the participants have performed well and the feedback was excellent. A total of 101 delegates from different pharmacy colleges attended the seminar. During the valedictory function Dr. S. Vidyadhara, Chairman, IPA Education Division, Prof. S. Y. Gabhe were present, addressed on the occasion and distributed the certificates to the participants. Miss. E.Rameshwari proposed a vote of thanks.
