ALUMNI TALK by Dr. K. THARUN

Dr. K. Tharun, an alumnus of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences during the period 2007-2011 visited the institution and delivered a guest talk to students of Pharm D. Dr. Tharun is a practising pharmacist at the United States of America where he also runs his own Pharmacy. Taking his professional practice into consideration, CHIPS Alumni association organized a guest talk with him to the students of Pharm D as it helps them to understand the professional practice of pharmacy in the United States of America, where good number of students migrate for their further education and employment.

Students of 3rd and 4th Pharm D were given the opportunity to interact with Dr. Tharun. He interacted with the students and made them familiar with the professional practice of Pharmacy at the United States of America, the role of a pharmacist during the dispensing of prescriptions, processing of prescriptions and importantly, the role of a Pharmacist in the management of overall efficacy and safety of medications prescribed to them. He also made them familiar about the licensing examinations that one has to clear in order to be registered pharmacist. Students interacted with him and asked their questions regarding career prospectus in the field of clinical pharmacy, community pharmacy and overall opportunities in the field of pharmacy in the United States of America.

ALUMNI TALK by Dr. S. PAVANI

Dr. S. Pavani, an alumnus of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences during the period 2011-2017 delivered a guest talk to Clerkship and Internship students of Pharm D at NRI General Hospital. Dr.S. Pavani is currently working as Drug Safety Associate under Pharmacovigilance Program of India (PvPI) Ghaziabad at All India Institute of Medical Sciences (AIIMS) Mangalagiri. Taking her professional practice into consideration, CHIPS Alumni association organized a guest talk with her to Clerkship and Internship students of Pharm Das it helps them to understand their role in most widely noted profession i.e. Pharmacovigilance.

She interacted with the students and made them familiar with the role of Drug Safety Associate in Pharmacovigilance. She working at AIIMS, she mentioned her role in the identification, case narration and reporting of Adverse Drug Reactions to PvPI via Vigiflow, the database for reporting ADRs to PvPI. She also made them familiar about the steps that should be taken for the complete reporting of ADRs and the importance of case narration during that process. Students interacted with her and asked their questions regarding career prospectus in the field of Pharmacovigilance.
