Chebrolu Hanumaiah Institute of Pharmaceutical Sciences NSS Unit-I observed the International Day of Yoga on 21-06-2023 in collaboration with YMK Yoga Centre, Guntur. On this occasion a Yoga session was conducted for faculty, non-teaching faculty, and students on International Day of Yoga. This year, International Yoga Day 2023 was observed with a theme "Yoga for Vasudhaiva Kutumbakam" which was meant to highlight the universal appeal of yoga and the belief that its benefits are for all of humanity

Yoga teacher Mrs. Konda Srilatha from YMK Yoga Center, Guntur attended as a trainer for this program. On this day she taught and explained to all the participants about Suryasana, Pranayama, and some other asanas which are necessary in human daily life and their benefits. She also gave good training for participants. Some of the faculty participated in Yoga Day celebrations. Apart from that, some asanas were performed by all the participants in the program.

Dr. S. Vidyadhara, Principal appreciated YMK Yoga Institute for supporting us in conducting a yoga training program. He also congratulated the NSS team and staff for conducting such healthy programs and encouraged them to continue the same in the future.

77th Independence Day is celebrated at Chebrolu Hanumaiah Institute of Pharmaceutical Sciences with great enthusiasm on 15th August, 2023. NSS UNIT-1 and Sports & Cultural committee jointly organized Independence Day celebrations under scheme of Azadi Ka Amrit Mahotsav. The significance of this year's celebration is heightened by the theme 'Nation First, Always First', which resonates with the ideals we hold dear.

The program has started at 8.00am onwards and all the staff and students are actively participated in celebrations. Ms. A. Sai Sree, Probationary Deputy Collector, Guntur attended as chief guest for Flag hoisting. She addressed the gathering that, It's a call to unity, a call to work together towards the progress and development of our country. Whether we're students striving for academic excellence, citizens contributing to the economy, or individuals helping each other in times of need, this theme resonates in every aspect of our lives. As we celebrate our independence, let us renew our commitment to this theme. Let us always prioritize the betterment of our nation. Let us contribute positively to our society, uphold our values, and work towards creating a brighter future for all.

After National Flag hoisting she planted a sapling as part of Meri Maati Meri Desh program. Dr. S. Vidyadhara, Principal, CHIPS felicitated the Chief Guest. Finally program was concluded by distributing saplings for plantation program at Yanamadala High School as part of Meri Maati Meri Desh program.

SPORTS AND CULTURALS COMMITTEE

REPORT ON TELUGU BASHA DHINOTSAVAM- 2K23

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences organized Telugu Basha Dhinotsavam with great enthusiasm and reverence on 29th August 2023. The event aimed to highlight the significance of our native language, Telugu, amidst the importance of learning English and other languages. The celebration emphasized that while English is crucial for global communication, it is equally important to preserve and promote our mother language, Telugu.

To instill a deeper appreciation for Telugu, competitions like Monoaction, Telugu Padhyalu and Jaatheeyalu- saamethalu were organized. Telugu Padhyalu involved students to analyze Telugu poems provided a day in advance. They were required to explain the context and significance of these poems, showcasing their understanding and connection to Telugu literature. This competition included reciting Telugu poems as well. Participants were given poems beforehand and were asked to recite them during the event, demonstrating their fluency and love for Telugu poetry. For Jaatheeyalu- Saamethalu, a team of two students were asked to fill in blanks in given proverbs, testing their knowledge and understanding of Telugu idiomatic expressions.

The Principal of the Institute, Dr. S. Vidyadhara, along with the Chief guest Dr. K. Srinivas, Principal RVR & JC College of Engineering attended the valedictory function. Dr. K. Srinivas addressed the gathering regarding the observance of Telugu Language Day serves as a reminder of our roots and helps in preserving the richness of Telugu culture. He also encouraged the younger generation, to take pride in their mother tongue and use it confidently in various spheres of life. The event concluded with prize distribution where participants were recognized and awarded prizes for their achievements in the competitions. This gesture not only acknowledged their efforts but also motivated them to continue their journey of learning and promoting Telugu language and literature.

The NSS Unit - I of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences observed National Unity Day on October 31st 2023. This day was celebrated in India to commemorate the birth anniversary of Sardar Vallabhai Patel, who is also called as "Iron Man of India".

Principal, Dr. S. Vidyadhara attended the program as the chief guest. He addressed the gathering that Sardar Vallabhbhai Patel worked hard for racial integration, integrity and unity and how great is the importance of unity. So Patel's birthday is celebrated as National Unity Day to commemorate his great wealth. A pledge-taking ceremony was organized involving students and faculty from all departments so that a message of national unity permeates every part of the nation and society.

After the completion of the pledge, NSS Unit-I organized a 2K walk on this occasion. As part of this program, a run for unity walk was organized from the institute to Dasari Palem village. The NSS volunteers, staff, and students of IV/IV B Pharm, III/VI Pharm D and II/VI Pharm D participated in the walk. The walk was completed at village.

NSS Unit I of the Chebrolu Hanumaiah Institute of Pharmaceutical Sciences observed National Pollution Control Day on 2nd December, 2023. This program was organized in association with the AP Pollution Control Board, Guntur Region, and the IPA Education Division. The main aim of celebrating National Pollution Prevention Day on December 2 in India is to create awareness among people about the need to prevent uncalled-for industrial disasters. The day is dedicated to encourage the adoption of pollution control acts to prevent environmental pollution caused by human negligence and industrial emissions.

On this occasion, an awareness program was conducted by NSS volunteers at Bala Kuteer High School in Chowdavaram, Guntur-19. NSS volunteers gave a PowerPoint presentation about the preventive measures against pollution. During the presentation, the volunteers explained the various types of pollution production and diseases caused by pollutants. During the program, they presented video clippings to school children about pollution and its prevention measures. Our unit also created awareness among school children by conducting a quiz competition about pollution control day. The winners are appreciated by prizes.

NSS Unit-I of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, Chowdavaram organised Voter Awareness & Enrollment Program on 10th January, 2024. We have organized this program in collaboration with Eenaadu - ETV, Pottur, and Guntur Region. A voter awareness & Enrollment program aims to educate and encourage eligible individuals to participate in the electoral process by registering to vote and exercising their right to vote.

A team of five members which is headed by Mr. Krishna, Journalist, from Eenaadu-ETV, Pottur Office came to conduct the Voter Awareness & Enrollment Program. We created awareness by sending reminders via SMS, about registration deadlines and election dates. We utilized online platforms for registration, providing easy access for individuals at our digital computer laboratory. By providing assistance regarding voter registration to the each student the registration was carried out. More than 50 students were registered for their vote. We gathered feedback from participants to assess the program's effectiveness.

Dr. S. Vidyadhara, Principal addressed the gathering that by implementing a comprehensive Voter Awareness & Enrollment Program structured around these principles, one can effectively empower more individuals to register and participate in the democratic process, thereby strengthening democratic norms and ensuring broader representation.
