## 2. TEACHERS FEEDBACK ANALYSIS:

The institution also collects feedback from all the teachers regarding curriculum and institution in order to assess various parameters like learning objectives, course outcomes and application, timely coverage of syllabus, textbooks relevancy and their availability, effective teaching methods and all other facilities provided by the institution to the teachers. This helps in self-assessment of teachers and their feedback towards various facilities provided by the institution. At the end of each semester/academic year, the feedback was collected from teachers of all the departments. The following is the format of feedback collected from teachers. They were asked to rate as 5 for excellent, 4 for very good, 3 for good, 2 for average and 1 for poor.

Q. No	ATTRIBUTE	Q. No	ATTRIBUTE
Q1	Quality and relevance of courses included in the curriculum	Q9	Availability of prescribed books in the Library in Sufficient numbers
Q2	The objectives of the curriculum/course/syllabus are well defined	Q10	Conducive environment in the College for teaching and research
Q3	Balance between theory and application of the course/syllabus	Q11	The administration is teacher friendly
Q4	The books/journals etc. prescribed / listed as reference materials are relevant, updated and cover entire syllabi	Q12	Provision of opportunities and support to faculty members for upgradation of skills and qualifications
Q5	The courses / syllabi of the subjects taught by me increased my interest, knowledge and perspective in the subject area	Q13	ICT facilities in the college
Q6	Freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation	Q14	Availability of staff room & space in college Canteen
Q7	Freedom to adopt new techniques / strategies of testing and assessment of students	Q15	Toilets / washrooms are clean and properly maintained
Q8	Conduct of Tests and examinations in time with proper coverage of all units in the syllabus	Q16	The classrooms are clean and well maintained

The following is the overall feedback average of teachers for the academic year 2023-24.
