ABOUT NES

It was in the year 1967, a group of Philanthropic People, Senior Doctors, Peoples Representatives and well meaning Citizens of Guntur have realized the Inadequacy of general and professional educational facilities in Guntur and reacted positively for the establishment of several such institutions under the umbrella of Nagarjuna Education Society. Nagarjuna Education Society (NES) with a vision of promoting education, literature and the culture of the region has established eight reputed Institutions from school education level to professional education. The will and preservice of the founding fathers for over the last forty years has made the city of Guntur an educational destination of Andhra Pradesh. NES, today is the leader and mentor for numerous other educational societies that subsequently came into existence. Sri Jagarlamudi Chandramouli, Dr. Kasaraneni Sadasiva Rao, Dr.Kondabolu Basavapurnaiah, Dr. Maddineni Gopalkrishna, Vidwan Sri Gogineni Kanakaiah, Sri Chebrolu Hanumaiah and Sri Rayapati Sambasiva Rao are a few popular names that are associated with Nagarjuna Education Society for their unfathomable contribution and commitment which drives the constituent institutions, a land mark for educational excellency.

Institutions run by NES:

J.K.C College (1968)
S.G.V.R High School (1968)
Dr. K.L.P Public School (1983)
R.V.R.R College of Education (1985)
R.V.R & J.C College of Engineering (1985)
JC College of Law (1990)
Chebrolu Hanumaiah Institute of Pharmaceutical Sciences (2005)
MSB College of Nursing (2006)

ABOUT CHIPS

Nagarjuna Education Society (NES), during the year 2005 had come up with a vision to establish an another professional course in the field of Pharmaceutical Sciences and came into being, with the name and style Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, popularly known as "CHIPS", located at Chowdavaram, besides its sister concern institute R.V.R. & J.C. College of Engineering on the same premises. CHIPS, thus inherited the legacy of NES and had grown as one of the best Pharmaceutical Institutions in India by providing exceptional infrastructural facilities and human resources, which are ahead than the requirements stipulated by various statutory bodies. Today, it offers several UG & PG Courses in the field of Pharmaceutical Sciences like B.Pharmacy, Pharm.D & M.Pharmacy with several specializations. Discipline, quality teaching and eminent administration are traditional strengths of NES and thus CHIPS acclaimed by securing excellent results and bagging several top ranks.

VISION

To nourish young pharma aspirants with innovative and creative capabilities who can play a vital role in the field of Pharmaceutical Sciences. We are earnestly pursuing our motto "FROM CONCEPT TO CREATION" with greater efforts and dedication.

MISSION

To nurture the expertise of every student by including the CONCEPTS of Pharmacy along with the Ethics of Education and to furnish all the necessary Infrastructure & Equipment that ensures the CREATION of Competent Pharmacists & Novel Pharmaceuticals.

COURSES OFFERED

Courses	Approved intake
B.Pharmacy	100

ADMISSIONS :

Admission for the above courses will be made by convener quota (70%) through common entrance test conducted by the State board and remaining seats by management quota (30%), except for Ph.D Program. For Ph.D program admissions will be made through APRCET based upon the number of approved guides available at this institution from time to time.

INFRASTRUCTURE

Surrounded by Kondaveedu hills, the 5 acre campus beside its sister concern RVR & JC College of Engineering, is all set in lush green environment, providing stimulating academic ambience. The state of the art infrastructure enables students to expand their intellectual horizons. This institution has about 13 classrooms and 25 laboratories, 01 library, 01 Air-conditioned seminar hall with a seating capacity of 400 and abundant playground for sports and games. All the labs are well equipped with basic instruments to advanced machinery. Labs are well ventilated, spacious and provided with fire safety devices. Students will be trained on one to one basis under the supervision of expert faculty at the laboratories. The college also has Drug Testing Lab approval from Government of Andhra Pradesh. The college animal house is recognized by CCSEA, New Delhi. Medicinal garden with more than 400 varieties of plants serve as a huge resource for herbal research.

LIBRARY

The Institution is strengthened with a well equipped library having about 10000 volumes, more than 3000 titles, 41 National and International journals, 250 CDs and an electronic gateway to global E-Journal literatures like J-Gate, Inventi, N-List, Knimbus and DELNET. The library is fully digitalized and reprographic facilities for staff and students for their regular academic and research activities.

FACULTY

A good mix of seasoned Professors with well qualified young and dynamic faculty members is a rich source of knowledge and strength to the institute. Out of the teaching fraternity with M.Pharmacy as basic qualification, many members hold Ph.Ds and rest are in pursuit of higher education. Of these, a few authored text books while a few others are actively involved in exploring various research projects.
